Organisation of the Austrian participation (delegates and exhibition)
Reports to a national audience (publications and presentations)

Technical Committees and Executive Committee:

Assistance and support to the First Delegate
- in nomination of the Austrian delegates for the 2003-2007 period
- and in his function as Strategic Theme Co-ordinator

Organisation of conferences and meetings:

4th ASTRAD-Symposium "Road Management and Winter Maintenance"
International Conference on Tunnel Safety and Ventilation (co-organisier)
Annual meeting of all Austrian TC-members

National and international Co-operation:

Joint-seminars and meetings with national associations and bodies,
Annual meeting with Germany and Switzerland

Creation of a new web-page: www.fsv.at/piarc/index.html

Austrian National Committee 2003/04

World Road Congress in Durban:

- successful promotion of the congress in Austria (more Austrian participants as originally expected)
- co-ordination of National Reports
- co-ordination of the Austrian PIARC prize competition (with great success in having a PIARC-prize winner)
- organisation of the Austrian travel group
- presentation of Austria and the ANC at the exhibition
- contacts and meetings with local Austrian representatives
- raised interest of Austrian experts to join a TC

Technical Committees:

- Austria is represented in 17 of the 18 Technical Committees
- all Austrian PIARC-members are members in the respective working groups of the national Road Research Association
- the ANC is co-ordinating the information flow between those groups and PIARC by hosting several meetings and inviting international PIARC guest-speakers
